

# WHO ARE WE?

LoLo Loves Local was born as the 'loving local' marketing arm of Trade Exchange Canada (TEC Okanagan), and partner in the annual Trade-A-Thon, Local Gift Certificate Swap.

We're thrilled to have grown from social media marketing, to video marketing, graphic & web design, to now creating and distributing a complete Local Deals Book!

LoLo Loves Local is passionate about supporting our beloved local businesses, and hope the deals inside this book can help you support them too!

Thank you to all of our supporters & advertisers!
